* ড° হিমন্ত বিশ্ব শৰ্মা (মন্ত্রী) :- মাননীয় অধ্যক্ষ মহোদয়, মাননীয় সদস্য, শ্রীদিলীপ মৰাণ ডাঙৰীয়াই এটা বৰ ভাল পৰামৰ্শ দিছে। সমস্যাটো হৈছে যে যোৱা কালিৰ চৰ প্ৰাদেশীকীকৰণক লৈ অসমত এতিয়া ৫০ হাজাৰ প্ৰাথমিক বিদ্যালয় হ'ব। এই ৫০ হাজাৰ বিদ্যালয়ৰ কাৰণে ইমান সংখ্যক পৰিদৰ্শক নিয়োগ কৰা সম্ভৱ নহয়। আৰু পৰিদৰ্শনো স্বাভাৱিকতে সম্ভৱ হৈ নুঠে। আমি এই বাৰ এটা নতুন ব্যৱস্থা কৰিবলৈ লৈছো। ২০ খন বিদ্যালয়ৰ মাজত একোজন শিক্ষক থাকিব, তেওঁ পৰিদৰ্শন কৰিলেহে একাডেমিক চাপোৰ্ট পাব। আমি ভৱিষ্যে ১৫ এপ্ৰিলৰ আগতেই সম্পূৰ্ণ কৰিব পাৰিম। এই ২০ খন বিদ্যালয়ৰ কাৰণে যিজন শিক্ষক থাকিব তেওঁ পৰিদৰ্শন নকৰিলেও একাডেমিক চাপোৰ্ট তেওঁৰ পৰা পাব আৰু তেতিয়া শিক্ষা খণ্ডৰ যথেষ্ট উন্নতি হ'ব। লেবাৰ ইম্পেণ্টেৰে একাডেমিক চাইডটো চাব নোৱাৰে সঁচা, কিন্তু তেওঁ বিদ্যালয় সমূহৰ আন্তঃগাঠনি সমূহ চাব পাৰে। আমাৰ শ্ৰম আৰু নিয়োগ মন্ত্ৰী ডাঙৰীয়া উপস্থিত আছে, তেখেত সকলে নিশ্চয় কথাটো চাব আৰু আমিও বিভাগৰ লগত যোগাযোগ কৰিম।

* শ্ৰীপল্লৱ লোচন দাস :- মাননীয় অধ্যক্ষ মহোদয়, আমি জনাত বাগিচা কৰ্তৃপক্ষৰ অধীনত সকলো বিলাক বিদ্যালয়ে দুই এদিনৰ ভিতৰত চৰকাৰী কৰণ কৰা হ'ব। চৰকাৰৰ এই ঐতিহাসিক সিদ্ধান্তৰ কাৰণে মন্ত্ৰী মহোদয়ক ধন্যবাদ জনাইছো। এটা কথা, চাহ বাগিছা সমূহ সাধাৰণতে আওহতীয়া অঞ্চলত অৱস্থিত শৈক্ষিক পৰিৱেশ নাথাকেই। গতিকে বিদ্যালয়খনৰ কমেও ২ জন শিক্ষকক চৰকাৰীকৰণ কৰিব লাগে। বাগিছাৰ বিদ্যালয় সমূহৰ ছাত্ৰ ছাত্ৰী সকলে প্ৰায় ঘৰুৱা ভাষাই কয়। অন্যভাষাৰ প্ৰতিধাৱিত নহয়। যাৰ কাৰণে ড্ৰপ আউট বেছি হয়। এই ক্ষেত্ৰত শিক্ষা বিভাগে চাহ বাগিছা সমূহৰ বাবে কিবা সুকীয়া ব্যৱস্থা গ্ৰহণ কৰিব নে? আমি দেখিছো চাহ বাগিছাৰ বাহিৰে বাকী প্ৰাথমিক বিদ্যালয়ত ঘৰ বিলাক সুন্দৰ সুন্দৰ হৈছে। কিন্তু বাগিছা কৰ্তৃপক্ষই বিদ্যালয় সমূহক জৰাজীৰ্ণ কৰি ৰাখিছে। বাগিছাৰ ঘৰ বিলাকো চৰকাৰে লোৱাৰ সিদ্ধান্ত কৰিব নে?

* Speech not corrected.

* ড° হিমন্ত বিশ্ব শৰ্মা (মন্ত্ৰী) :- মাননীয় অধ্যক্ষ মহোদয়, বাগিছাত থকা যিবিলাক বিদ্যালয় সেই বিলাক আগতে বাগিছাই পৰিচালনা কৰিছিল। তাৰে কিছু প্ৰাদেশীকীকৰণ কৰা হ'ল আৰু কিছু থাকি গৈছিল। এই বাৰ থাকি যোৱা যিনিও প্ৰাদেশীকীকৰণ কৰা হ'ল। প্ৰাদেশীকীকৰণ আইনৰ অধীনত যি সমূহ বিদ্যালয় প্ৰাদেশীকীকৰণ কৰা হ'ল সেই সমূহ বিদ্যালয়ৰ ঘৰ বাৰীও চৰকাৰে চাব। যোৱা কালি আমি প্ৰাদেশীকীকৰণৰ তালিকা প্ৰকাশ কৰিছো। প্ৰতিখন বিদ্যালয়ৰ পৰা দুজনকৈ শিক্ষক প্ৰাদেশীকীকৰণৰ আউটলে আনিছো। মই আগতেই কৈছো একাডেমিকৰ ওপৰিও ঘৰ বাৰীৰ দায়িত্বও এতিয়া চৰকাৰে ল'ব।

মাননীয় অধ্যক্ষ মহোদয়, প্ৰাথমিক বিদ্যালয় বিলাক প্ৰাদেশীকীকৰণ কৰিবলৈ হ'লে সেই বিদ্যালয়ৰ মাটি ম্যাডি পট্টাৰ হ'ব লাগে। চাহ বাগিছাৰ প্ৰাথমিক বিদ্যালয়ৰ ক্ষেত্ৰত যিহেতু ম্যাডি পট্টাৰ কথা নাহে সেই কাৰণে চাহ বাগিছাৰ মালিক সকলে একোখন চাৰ্টিফিকেট দিব লাগে। কিন্তু কিছুমান বাগানৰ মেনেজাৰে সেই চাৰ্টিফিকেট দিব বিচৰা নাই। এইটো কাৰণতে সেই বিদ্যালয় বিলাক প্ৰাদেশীকীকৰণত পিছপৰি আছে। মই এতিয়া মাননীয় সদস্য সকলক অনুৰোধ কৰিম যে ১৫ মাৰ্চৰ পৰা ১৫ এপ্ৰিললৈ সময় থাকিব সেই সময়ছোৱাৰ ভিতৰত তেখেতসকলে তালিকা পঠালে সেই বিদ্যালয় সমূহ প্ৰাদেশীকীকৰণ কৰিব পৰা যাব। আমাৰ মাননীয় সদস্য শ্ৰীপদ্মৰ লোচন দাস ডাঙৰীয়াই ড্ৰপ আউটৰ কথা কৈছে। আমি ইয়াত এল, পি স্কুলৰ কথাহে কৈছো। এম, ই স্কুলৰ কথা কোৱা নাই। চাহ বাগিচা বিলাকত এল, পি, স্কুলহে আছে। বাগিচা বিলাকত এম, ই স্কুল নাই। সেই কাৰণে বহু দূৰৈত যাবলীয়া হয়। সেই কাৰণে এম, ই, স্কুলত ড্ৰপ আউট যথেষ্ট হৈছে। চাহ বাগিছা বিলাকত তিনি কিলোমিটাৰ অন্তৰত একোখনকৈ এম, ই স্কুল পতাৰ সিদ্ধান্ত লোৱা হৈছে। ইয়াৰ তালিকা এপ্ৰিল মাহৰ ভিতৰত প্ৰকাশ কৰিম বুলি ভাবিছো। এই স্কুল বিলাক কৰাৰ কাৰণে মাটি লাগিব। তৃতীয়তে' ভাষাৰ কথা কৈছে। আমাৰ অসমত ভাষাটো এটা গুৰুত্বপূৰ্ণ কথা। এই ভাষাৰ কাৰণে আমাৰ যথেষ্ট অসুবিধা হৈছে। বড়ো স্কুলত

পঢ়ুওৱাৰ কাৰণে বড়ো ল'ৰা-ছোৱালী নাই। যিবিলাক ল'ৰা-ছোৱালী নিয়োগ কৰা হৈছে তেওঁলোক ইংলিছ মিডিয়ামত পঢ়া ল'ৰা-ছোৱালী। তেওঁলোক বড়ো ভাষা ভালকৈ নাজানে। ঠিক সেই দৰে চাহ বাগিছাৰ ল'ৰা-ছোৱালী বিলাকেও তেওঁলোকৰ নিজা দোৱান নাজানে। আৰ, টি, আই এডুকেচন এক্টত কৈছে যে কাট আউট নম্বৰ পোৱা ল'ৰা-ছোৱালীকহে নিয়োগ কৰিব লাগে। কিন্তু তেনেকুৱা ল'ৰা-ছোৱালী যথেষ্ট নাই। সেই কাৰণে অসমীয়া মাধ্যমৰ কাৰণে এটা ডাঙৰ সমস্যা হৈছে। এতিয়া দেখা গৈছে যে টেটৰ পৰীক্ষাত মেধাৰ ভিত্তিত ইংৰাজী মিডিয়ামৰ ল'ৰা-ছোৱালীয়েহে বেচিকৈ পাইছে। কিন্তু তেওঁলোকে অসমীয়া ভালকৈ পঢ়ুৱাব পৰা নাই। এই কথা বিলাক সম্যক ভাবে বিবেচনা কৰাৰ প্ৰয়োজন আছে।

কি কি আঁচনি লোৱা হৈছে? মাননীয় মন্ত্ৰী মহোদয়ে উত্তৰ দিছে যে মিছন ডাবল ক্ৰপিংৰ অধীনত ২০৪৭৫.০০ লাখ টকা ব্যয় সাপেক্ষে আঁচনি গ্ৰহণ কৰা হৈছে। আচৰিত কথা যে মিছন ডাবল ক্ৰপিং আঁচনিৰ জৰিয়তে সামগ্ৰীসমূহ বিতৰণ কৰা হৈছে। কিন্তু বেনিফিচাৰী লিষ্ট ঠিকমতে পোৱা নাই, সেয়েহে খেতিয়কে খেতি কৰা নাই। সময়মতে সৰিয়হৰ খেতি উঠালে, আলু খেতি উঠালে, মাকৈ কাটিলে। মিছন ডাবল ক্ৰপিংৰ অধীনত যিটো ফাণ্ড দিছে ২০১২-২০১৩ চনৰ বাবে সেইটো কেৱল কাগজ পত্ৰতে সীমাবদ্ধ হৈ আছে নে কাৰ্য্যকৰী কৰিছে সেইবিষয়ে মই মাননীয় মন্ত্ৰী মহোদয়ৰ পৰা জানিব বিচাৰিছো।

মাননীয় অধ্যক্ষ : আপোনাৰ আগৰ প্ৰশ্ন এটা মোৰ মনত পৰিছে; আপুনি জিলা ভিত্তিত তালিকা বিচাৰিছে। জিলা ভিত্তিত তালিকা সংগ্ৰহ কৰি আনিবৰ বাবে এখন ট্ৰাক লাগিব। এনে ধৰণে অনাটো সম্ভৱ নহয়। আপোনালোকে যি ধৰণে প্ৰশ্ন কৰে উত্তৰ দিয়াটো সম্ভৱ নহয়।

*** শ্ৰীৰফিকুল ইছলাম :** মাননীয় অধ্যক্ষ মহোদয়, জিলা ভিত্তিত লিষ্ট বিচৰা নাই। মই মাননীয় মন্ত্ৰী মহোদয়ৰ পৰা জানিব বিচাৰিছো যে ২০১২-২০১৩ চনত বিতৰণ কৰাৰ কাৰণে লিষ্টখন কিয় দিব পৰা নাই। যদি লিষ্টখন আছে খেতিয়কৰ মাজত বিতৰণ কৰিলে ভাল হয়।

মাননীয় অধ্যক্ষ : আপোনালোকে কৈছে কি কি আঁচনি ৰূপায়ণ কৰিছে জিলা ভিত্তিত হিতাধিকাৰী সকলৰ তালিকা বিচাৰিছে।

৭৩ টা উন্নয়ন খণ্ডৰ খোৱাপানীত আৰ্ছেনিক” শীৰ্ষক বাতৰিটোৰ প্ৰতি দৃষ্টি আকৰ্ষণ কৰি সদনত মাননীয় বিভাগীয় মন্ত্ৰী মহোদয়ৰ পৰা, ইয়াৰ পৰা পৰিত্ৰাণ পাবলৈ কেনে ধৰণে ব্যৱস্থা লৈছে সেই বিষয়ে জানিব বিচাৰিছে। বাতৰিটো উৎপল শৰ্মাই পৰিবেশন কৰিছে। ২০০৩ চনতে কৰিমগঞ্জ জিলাৰ সদাৰাণী গাওঁৰ বহু কেইগৰাকী লোকৰ শৰীৰত আৰ্ছেনিক যুক্ত পানী খোৱাৰ পৰা হব পৰা ৰোগৰ লক্ষণ দেখা পোৱা গৈছিল। এই লক্ষণ সমূহ দেখা পোৱাৰ পিছত জনস্বাস্থ্য কাৰিকৰী বিভাগৰ মুখ্য অভিযন্তা এ, বি, পালে কৰিমগঞ্জ জিলাৰ সদাৰাণী গাওঁত উপস্থিত হৈ ইয়াৰ ভূগৰ্ভস্থ পানীৰ নমুনা সংগ্ৰহ কৰি পৰীক্ষাৰ বাবে কলিকতাৰ যাদবপুৰ বিশ্ববিদ্যালয়লৈ পঠিয়ায়। এই বিশ্ববিদ্যালয়ত পানীৰ নমুনা পৰীক্ষা কৰাত আৰ্ছেনিকৰ উপস্থিতি ধৰা পৰে। কিন্তু ইয়াৰ পিছত বিগত ৯ বছৰত কৰিমগঞ্জকে ধৰি ৰাজ্যৰ ১৮ খন জিলাৰ ভূগৰ্ভৰ পানীত আৰ্ছেনিক পোৱা গৈছে। বৰ্তমান প্ৰায় ১৮ খন জিলাত বাস কৰা ১০ লাখৰো অধিক লোকৰ দৈনন্দিন জীৱনলৈ ভূগৰ্ভস্থ আৰ্ছেনিকে গভীৰ সংকট কঢ়িয়াই আনিছে। এইটো ভয়ংকৰ কথা যে ৭৯৪ খন বিদ্যালয়, ৭৩ টা উন্নয়ন খণ্ডৰ খোৱাপানীত বৰ বিহ স্বৰূপ আৰ্ছেনিকে অসমবাসীলৈ গভীৰ সংকট কঢ়িয়াই আনিছে। গতিকে বিষয়টো অতি চিৰিয়াচ আৰু স্পৰ্শকাতৰ। আমি পি, এ, চি কমিটিত যাওঁতেও আপোনাৰ জৰিয়তে এই বিষটো লৈ স্পট ভেৰিফিকেচন কৰি বিষয়া সকলৰ লগত আলোচনা কৰিছিলো আৰু ইয়াৰ তাৎক্ষণিক ব্যৱস্থা লবৰ কাৰণেও অনুৰোধ জনাইছিলো। কিন্তু তেওঁলোকে কেৱল চেম্পুলটো পঠিয়াই বহি থাকিলে। কোনো ব্যৱস্থা লোৱা নহল। এই ভূগৰ্ভস্থ আৰ্ছেনিক যুক্ত পানী খাই ৰাজ্যৰ বহুলোক বিভিন্ন ৰোগত আক্ৰান্ত হৈছে। আনকি কৰ্কট ৰোগৰ নিচিনা দুৰাৰোগ্য ৰোগত আক্ৰান্ত হোৱা দেখা গৈছে। এতিয়া বিভাগীয় মন্ত্ৰীয়ে এই ক্ষেত্ৰত কি ব্যৱস্থা লৈছে সেইটো জানিবৰ কাৰণে মই এই বিষয়টো সদনত

Shri Abdul Muhib Mazumder :Hon'ble Deputy
Speaker Sir, I take it as a privilege to be able to take part
in the debate on the motion of thanks to His Excellency the
Governor of Assam.

Sir, when Hon'ble Dr. Bhumidhar Barman tabled the
motion of thanks for the speech rendered by His Excellency
the Governor in the House on 4-3-2013, I remember the
day when I moved the motion thanks to His Excellency the
Governor of Assam in the year 1983 and when Hon'ble Dr.
Bhumidhar Barman spoke in support of the motion as I am
doing today.

That was about 30 years ago. Many years have passed

and things have changed most of my friends who adorned the Chairs of the House are longer there. In their place I see new members who are no young and full of enthusiasm and hope. I feel like Alice in the wonderland or like Rip Van Winkle who got up after long sleep of more than 20 years.

Sir, you are aware, we are having a cabinet system of Government of the West Minister style. Under the Constitution (Article 79) the President of India is a part of the Parliament. The Article 79 reads as follows :

Constitution of Parliament-There shall be a Parliament for the Union which shall consists of the President and two Houses to be known respectively as the Council of States and the House of the people.

Similarly under Article 168, the Governor is a part of the State legislature. Article 164 reads as follows :-

Constitution of legislature in the State : For every State there shall be a legislature which shall consist of the Governor and the House (Legislative Assembly).

In other words the Governor is a part of the legislature. Under Article 175 the Governor has the right to address and send message to the Legislative Assembly. Again, under Article 176 of the Constitution, it is laid down that the

commencement of the first Session after each General Election and as the commencement of first Session of each year the Governor shall address the Legislative Assembly which is commonly Known as special address by Governor.

His Excellency the Governor of Assam has addressed us under Article 176 (1) of the Constitution.

This particular provision in the Constitution has been incorporated on the basis of a convention in the House of Commons where similar address is always made by the King or Queen of England. The Governor's address which is really a document prepared by the Government and finally approved by the Cabinet lays down not only the plans and policies of the Govt. but also the manner in which the socio-economic development of the country should take place. It also lays down the objectives both short term and long term the Govt. proposes to follow in the year following.

Actually, the document is prepared by the administrators to give effect to the policies and programmes formulated by the Government. For this reason, the Governor's address though prepared by the administration is to be finally approved by the Cabinet.

I am sorry to say the administrators/bureaucrats have

not done their home-work properly in respect of different socio-economic policies and also as regards the maintenance of law and order. The documents appear to be incompletely and absolutely cursorily. Problems have been mentioned but proper remedies have not been laid down. I am sure in future administration as also the cabinet would look into this aspect and place before the House a proper document in the form of a Governor's address.

As regards the problems of law and order though the Governor's address mentioned about "multipronged strategy adopted by the Government under the unified command against active militant groups, peace overtures towards groups willing for negotiated settlement" and rehabilitation of misguided.

Mr. Deputy Speaker Sir, I honestly admit that I failed to understand the precise import of these two sentences.

We have seen that no particular militant group till today has come forward for any negotiated settlement in its entirety. I am sorry to say that it appears to be an age old strategy of these insurgent groups: while one faction of the group holds negotiations and affects a settlement leading to the signing of the Memorandum of settlement being allowed by the Government to retain their sophisticated arms to carry

on their clandestine illegal activities, the other faction of the same insurgent group remains underground and carries on the insurgent activities sometimes alone but very often maintaining secret links with the surrendered group.

We have also seen that so-called negotiated settlement and signing of the MOS (Memorandum of Settlement) declaring/giving equal opportunities to all other communities is a complete farce. Once the MOS is signed, the next demand is formation of a council with or without Sixth Schedule status to be followed by grant of several hundred crores of rupees for the council. We have already seen how this amount is spent. We have also seen how the other communities who are not part of the insurgency are treated. A part from these known insurgent groups mentioned in the Governor's address, there is a new menace in the form of insurgency not only in Assam but also in other parts of India. I am referring to Maoist rebellion a new kind of insurgency by the Maoist cadres which is already creating havoc in Orissa, Jharkhand, Manipur and other areas. I am sorry to say there is no mention of this menace in the Governor's address which is absolute silent about it, though, only the other day the Governor of Assam had made a very pertinent statement about Maoist rebellion at the conference of the Governors held on February 11-12, 2013. The matter has been recently discussed and analysed by the reputed journalist

of the State and published in the Sentinel on 2-3-2013. I am placing before the House verbatim analysis as published in the paper. It reads as follows :

"THE SENTINEL

Dated : Saturday 2nd March, 2013

**DATELINE GUWAHATI/WASBIR HUSSAIN
GOVERNOR'S FRESH CAUTION ON MAOISTS :
WHY IS THE STATE MUM?**

At the Conference of Governors in October 2011, Assam Governor J.B. Patnaik had highlighted that a Maoist rebellion was brewing in the State and that Maoist cadres were being sent to Orissa and Jharkand as well as to Manipur for arms training. Three weeks ago, a little more than a year later, Governor Patnaik, at a similar Governors' conference in New Delhi inaugurated by President Pranab Mukherjee, said Maoists have made inroads across Assam and that they have chalked out a definite strategy for arms training, manufacture of country-made weapons and indoctrination.

Take a look at what exactly did Governor Patnaik say at the conference on February 11-12, 2013 during his 20 minute address. "..... During last conference of Governors, I had pointed out the emergence of left-wing extremism in Assam particularly in the remote areas of Dhemaji and Tinisukia districts bordering Lower Dibang

valley and Lohit districts of Arunachal Pradesh. The left-wing extremism has now made inroads into the State of Assam in a systematic manner under the cover of social frontal organizations championing the cause of the poor and the downtrodden

The Governor, in his 16-page address, added: "Their (the impart training on arms handling manufacturing of country made weapons and arrangements of indoctrination classes for the newly recruited cadres)" He went on to name a few well known organizations under whose "shadow" and "umbrella", he said, the CPI (Maoist) was "growing" in Assam. The organizations that he named include anti-dam, pro-farmer outfit, and a tea garden community rights group. The Governor also talked about Maoists serving extortion notes and possessing Kalashnikov assault rifles.

Governor Patnaik had not come forward with any prescription to deal with the Maoists in this address but the question to be asked at this point is this does the Assam Government have any anti-Maoist strategy in place at all? After all, it has been two years already since it became clear, that Maoists had opened shop in Assam and that they had successfully managed to extend the so-called 'Red corridor' from the heartland of India to the North East. Now, if we are to simply argue on nothing but by only what Governor

Patnaik has been saying, one thing is clear that the Maoists had chosen one of the most inaccessible and economically backward area in Assam, or for that matter the entire North East, to begin their operations and set up base in the State. This area is the Sadiya sub-division of eastern Assam's Tinsukia district on the border with Arunachal Pradesh.

Now, one knows that the Tinsukia district administration had prepared a detailed action plan to nip the Maoist rebellion in the bud with a two-pronged strategy- by ushering in rapid development and bringing in livelihood opportunities in the area by the revamping the police administration in the district with more personnel, vehicles, weaponry, additional police stations and outposts etc. The plan has been in black and white. Will the Assam Government come up with an answer as to what it has done so far in dealing with the Maoists or what has happened to the plan prepared by the Tinsukia district administration?

Social scientists often say the lack of 'distributive justice' is behind most public grievances. If the Maoist rebellion across India (remember that more than 250 districts across India are officially acknowledged as Maoist affected) is primarily caused by poverty among a section or a large section of people, then it should have been easy for the Government to tackle the problem. If the Maoists talk of a

systemic change in governance, they are often reminded by people running governments in our country that their problem is basically that of poverty. So, why has all the so-called pro-poor or poverty alleviation programmes run by the centre and the States failed to remove poverty or reduce the gap considerably between the haves and the have not in India? Well, the government, and the Assam Government is no exception, are masters in keeping mum on crucial issues facing the nation or vital questions posed by people."

I am sure even though the matter has not been mentioned in the Governor's address. The Home Department of the Govt. of Assam will take note on it and take appropriate measures how to deal with it.

Another important aspect where the Hon'ble High Court had to intervene and, if I remember correctly a delegation meet His Excellency the Governor also is-plight of people at Majuli because of erosion Crores of rupess have been squandered away but nothing has been done. I filed a Write Petition before the High Court drawing the attention of the High Court to the plight of the people. Even High Court has directed for taking up immediate measures. This matter may be taken up earnestly.

Mr Deputy Speaker, Sir, the another matter which requires urgent consideration. There are frequent agitations

over the questions of flood, erosion and building of dams in the upper reaches of the Brahmaputra.

The other day I had the occasion to discuss the matter with some experts. They disclosed some startling facts. The Brahmaputra river which runs along Tibet and enters India at Arunachal Pradesh carries only one sixth of the total water of the Brahmaputra. The bulk of the water i.e. 5/6th of the total water of Brahmaputra comes from about 50 tributaries falling into Brahmaputra mainly from the adjoining North Eastern States of Bhutan, Nagaland, Arunachal Pradesh, Manipur and other areas. The over-flooding and the erosion take place, mainly, on account of the first flowing tributaries on account of devastating deforestation causing high flood in different parts of Assam. I am sure the Govt. Would look into this aspect of the problem. If explain properly it would assuage the feelings of the people who are agitating against the construction of dams at the higher reaches of Brahmaputra.

There is another important matter that has come to light recently which relates to plight of the farmers producing agricultural crops. Because of the absence of preservation, the crops produced by them, like, cabbages, tomato etc. get destroyed. The middleman take advantage of this collecting the vegetables from them at the throw-away prices and selling them in urban markets at fantastically high prices.

It has come to light, now that the high price charged

by these middleman is because of the illegal gates at different points erected by different departments including different councils like Rabha Council etc. They extort huge sums at every gate shooting up prices of the commodities at the urban markets. I am sure both the Home Department as also the Agriculture Ministry will look into the matter and provide relief to the poor vegetable growers.

Mr. Deputy Speaker, Sir, speaking about the Governor's speech itself, I have seen, this is the shortest Governors address I have ever come across. As I know, Sir, the Governor's address is drafted by the officers which has to be approved by the Cabinet. At least this was the procedure. But I do not know whether the system is changed. Government has taken so many schemes with all sincerity for the welfare of the people, but these are not properly implemented, perhaps, because of some mishandling/lethargy somewhere. As a result, schemes are not implemented properly. We find, lost of diversions are also taking place.

Before, I conclude, I would like to thank Dr. Bhumidhar Barman, Hon'ble Member for moving the Vote of Thanks on the Governor's Address. With these few words, and supporting the vote of Thanks, I conclude, Sir.

***Dr. Ardhendu Kumar Dey (Minister, Irrigation) :**

মাননীয় উপাধ্যক্ষ মহোদয়, Some body of Central Govt. was present in the Gallery. The then Hon'ble speaker, Debesh Chakraborty condemned it. There are more instances, While Sri Pritvi Majhi, Hon'ble Minister was Hon'ble Speaker, Dr. Zoi Nath Sarma pointed to somebody in the Gallery, they were making noise. Hon'ble MLA pointed it out. It was also condemned. There are lots of examples.

মাননীয় উপাধ্যক্ষ মহোদয়, অস্তোদয়াৰ চাউল কেন্দ্ৰীয় চৰকাৰৰ পৰা যোগান ধৰা হয়। অস্তোদয়া আৰু আই, এ, ওৱাই আঁচনিৰ যোগেদি দুখীয়া গৰীব জনসাধাৰণক বহুতো প্ৰকাৰে সহায় কৰা হৈছে। আৰু তেওঁলোকে তাৰ পৰা সকাহো পাইছে। দল-মত নিৰ্বিশেষে সকলোৰে এই আঁচনিবিলাকৰ শলাগ লৈছে। বিৰোধী দলৰ পৰা প্ৰায়ে অভিযোগ কৰা দেখা যায় যে আমাৰ মুখ্যমন্ত্ৰী দৰিদ্ৰলোক বিৰোধী। কিন্তু সেইটো কেতিয়াও নহয়। বৰঞ্চ আমাৰ মুখ্যমন্ত্ৰী দৰিদ্ৰৰ ত্ৰানকৰ্ত্তা হে। তেখেতে দৰিদ্ৰ জনসাধাৰণৰ কাৰণে বহুতো আঁচনি হাতত লৈছে। একে কোনো বিভাগ নাই যিটো বিভাগৰ দ্বাৰা উন্নয়ন হোৱা নাই। ১০-১২ বছৰ আগতে আমাৰ যি আইন-শৃংখলা আছিল এই সময়ত তাৰ বহুতো উন্নতি হৈছে। সেই সময়ত এল,পি স্কুলৰ শিক্ষক কৰ্মচাৰী সকলে মাহে পিছত মাহ ধৰি দৰমহা পোৱা নাছিল। কিন্তু এতিয়া ১০ হাজাৰৰ পৰা ২০ হাজাৰ পৰ্য্যন্ত মাহে দৰমহা পাই আছে। এই বিলাক কথাত আমি আনন্দ পাইছো। বিৰোধী পক্ষৰ সদস্য সকলোৱেও নিশ্চয় আনন্দ পাইছে। কৰবাত দুই এটা হিন দেৰি নোহোৱা নহয়। সেইবিলাক মাননীয় বিভাগীয় মন্ত্ৰীক ঠিকঠাক কৰিবলৈ আহ্বান জনাইছো। আনহাতে, স্বাস্থ্য বিভাগত অসমৰ ইতিহাসত নজিৰ বিহীন উন্নতি হৈছে। নৌকা চিকিৎসালয়কে আদি কৰি ১০৮ এম্বুলেন্সকে ধৰি কিমান যে আঁচনি আছে আমাৰ মনতেই নাই। কি কি আঁচনি আছে সেইবিলাক আমি পাহৰিয়ে যাও। আনকি বিৰোধী দলৰ সদস্য সকলেও কব নোৱাৰিব। স্বাস্থ্য বিভাগত ইমান আঁচনি আছে। ইয়াৰ ভিতৰত মৰম, অপাৰেচন, স্মাইল আদি বহুতো আঁচনি আছে। ডিব্ৰুগড়ৰ টিংখাংত মদেল হস্পিটেল নাই, ৩০ বেডেড হস্পিটাল নাই। দুটা ডিচপেনচাৰীহে আছে। ১৯৮৭ চনতে ৰাজগড়ত ৩০ খন বিচনাযুক্ত চিকিৎসালয় স্থাপন কৰা হৈছিল। আজিলৈকে কিন্তু পূৰ্ণতা ৰূপ নাপালে। এন, আৰ, এইচ, এমৰ যোগেদি ডাক্তৰৰ ঘৰ বনাইছে, এক্স-ৰে মেচিন আদি দিছে। কিন্তু এক্স-ৰে মেচিন চলোৱাৰ কাৰণে মানুহ নাই। তাত মানুহ দিয়াৰ ব্যৱস্থা কৰিব লাগে।

নহলে সেই মেচিন বিলাক বেলেগ হস্পিতাললৈ নিব লাগে। নহলে বেয়া হৈ যাব। এই বিলাকৰ কাৰণতো টিংখঙৰ ৰাইজে দুখ পাইছে। গতিকে মই মাননীয় স্বাস্থ্য মন্ত্ৰীক আহ্বান জনাইছো এই বিলাকৰ ক্ষেত্ৰত শীঘ্ৰে ব্যৱস্থা লব লাগে। মোৰ সমষ্টিত এখন পূৰ্ণাঙ্গ হস্পিতাল লাগে। কিন্তু মোৰ সমষ্টিৰ কাষতে থকা বি, জে, পি বিধায়ক জনৰ এলেকাত যথেষ্ট উন্নতি হোৱা পৰিলক্ষিত হৈছে। সমাজ কল্যাণ, কৃষি, ৰাজহ বিভাগ আদি সকলোতে উন্নতি হৈছে।

মাননীয় উপাধ্যক্ষ মহোদয়, মই উদ্যোগ বিভাগৰ মাননীয় মন্ত্ৰী মহোদয়ক এটা কথা কব বিচাৰিছো, টিংখঙাত ৫-৬ হাজাৰ খুদ্ৰ চাহ খেতিয়ক আছে। আজি এই ক্ষুদ্ৰ চাহ খেতিয়ক সকলে অসমত এটা সেউজ বিপ্লবৰ সৃষ্টি কৰিছে। তেওঁলোকে নিজ নিজ বাগিছাত ১০/২০ ৰ পৰা ২০০ পৰ্যন্ত নিৰনুৱা লোকক কৰ্মসংস্থাপন দিব পাৰিছে। কিন্তু কথা হ'ল তেওঁলোকৰ মাটিৰ পট্টা নাই। সেই কাৰণে ৰাজহ বিভাগে তেওঁলোকক মাটিৰ পট্টা দিয়াৰ ব্যৱস্থা কৰিব লাগে। কো-অপাৰেটিভ চিষ্টেমত ফেক্টৰী খুলিলে চাহখেতিয়ক সকল নিজে মালিক হব পাৰিব আৰু তেওঁলোকে নিজে কেঁচা চাহ পাতৰ বেট ফিল্ম কৰিব পাৰিব। তেতিয়া হলে তেওঁলোকে উপযুক্ত টকা পাব। সেই কাৰণে এই কথাটো উদ্যোগ বিভাগে চাব লাগে। ফেক্টৰী খোলাৰ কাৰণে তেওঁলোকক অনুমতি দিব লাগে। যাতে সেই উপাত্ত খেতিয়ক সকলক সকাহ দিব পৰা যায়। তাৰ কাৰণে আশা ৰাখিছো। এটা সময়ত অসমৰ মানুহৰ মনৰ পৰা ৰঙা বাছ নাইকীয়া হৈ গৈছিল। এইটো কাৰ দিনত হৈছিল ৰাইজে জানে। এ,জি,পিৰ দিনত হৈছিল। তেওঁলোকে অসমৰ মানসপটৰ পৰা ৰঙা বাছ অদৃশ্য কৰিবলৈ কুঠাবোধ কৰা নাছিল। এই বিলাক হৈছিল এ,জি,পি চৰকাৰৰ ভুল নীতিৰ কাৰণে। কিন্তু আজি এই ৰঙা বাছে অসমৰ নগৰে-চহৰে, গাৱঁ-ভুৱে বুকু ফিন্দায়াই দৌৰি ফুৰাটো আমাৰ চৰকাৰৰ উন্নয়নৰ এক অবিৰত যাত্ৰা। এ,জি,পিয়ে খতম কৰিব খোজা ৰঙা বাছ নিগম আজি লাভত চলি আছে। চৰকাৰৰ

মেনেজমেণ্টৰ কাৰণে এই লাভ হৈছে। আমাৰ চৰকাৰৰ মেনেজমেণ্টৰ লগত আগৰ চৰকাৰৰ মিল নাই। এইটো প্ৰমাণ হৈ গৈছে। এই বিলাক কথা বিৰোধী দলৰ সদস্য সকলেও স্বীকাৰ কৰাটো ভাল। গঠন মূলক সমালোচনাৰে চৰকাৰক পৰামৰ্শ আগবঢ়াব লাগে। বিৰোধীতাৰ কাৰণেই বিৰোধীতা কৰিব নালাগে। আমাৰ চৰকাৰক কৰবাত হিন দেৰি থাকিব পাৰে। সেই বিলাক আঙুলিয়াই দিব লাগে। সেইটো ভাল কথা।

মাননীয় উপাধ্যক্ষ মহোদয়, মোৰ এই খিনিতে এটা কবিতা মনত পৰিছে— মাজদৰীয়াত মাৰিয়ে নাও লৈ যায়, মাৰিয়ে নাও ডগ-মগালে পাৰলৈ আনি বচাব পাৰে আৰু মাৰিয়ে ইচ্ছা কৰিলে ডুবাবও পাৰে। ঠিক সেইদৰে আমাৰ বিৰোধী পক্ষই সদন পৰিচালনা কৰাত সহায় কৰিব লাগে আৰু তেখেত সকলে যদি নাও-ডুবাম বুলি ভাবে তেতিয়া নাৱৰীয়াৰ দৰে নাও ডুবাবও পাৰে। সেয়ে, আমি বিৰোধী পক্ষক অনুৰোধ জনাইছো তেখেত সকলে সদায় যাতে সহযোগ কৰে সদন পৰিচালনা কৰাত। কেতিয়াবা কিছু ক্ষেত্ৰত হীনদেৰি হয়। সেইটো ধৰি থাকিব নোলাগে। মাননীয় বিৰোধী পক্ষৰ সদস্য হলেও তেখেত সকলে পৰামৰ্শ আগবঢ়াব লাগে। মই মহামান্য ৰাজ্যপালৰ ভাষণক সমৰ্থন জনাইছো। (ভইছ) মাননীয় বিৰোধী পক্ষৰ সদস্যসকলে মোক আৰু দুয়াৰ বেছিকৈ কবলৈ দিয়াৰ কাৰণে মই তেখেত সকলক ধন্যবাদ জনাইছো।

মাননীয় উপাধ্যক্ষ মহোদয়, আমি দেখা পাইছো দুই এক নেচনেল পাৰ্টিয়ে কব বিচাৰে যে আমি কৰা কাম বিলাক তেওঁলোকে কৰিছে বুলি কবলৈ বিচাৰে। যেনে ৰাজীৱ গান্ধী গ্ৰাম্য বৈদ্যুতিকৰণ আঁচনিৰ দ্বাৰা আমাৰ প্ৰায় বিলাক গাঁৱলৈ বিদ্যুৎ যোগান ধৰা হৈছে। অৱশ্যে দুই এখন গাঁৱত হোৱা নাই, সেইটো স্বীকাৰ কৰিব লাগিব। বৰ্তমান প্ৰথম পৰ্যায়ৰ কাম চলি আছে। তেখেত সকলে এইটো এন ডি এ চৰকাৰে কৰিছে বুলি কবলৈ বিচাৰে। কিন্তু ইয়াৰ নামাকৰণৰ পৰাই

গমপোৱা যায়- ৰাজীব গান্ধী গ্ৰাম্য বৈদ্যুতিকৰণ আঁচনি আমাৰ চৰকাৰৰ আঁচনি। এই বিলাকত বিতৰ্ক হ'ব নেলাগে। অৱশ্যে কিছু কিছু অঞ্চলত ৰাজীব গান্ধী গ্ৰাম্য বৈদ্যুতিকৰণ আঁচনিটো ঠিকাদাৰ সকলৰ গাফিলতিতে সম্পূৰ্ণ হৈ উঠা নাই। মাননীয় মন্ত্ৰী মহোদয়ক অনুৰোধ কৰিছে। ইয়াৰ ব্যৱস্থা ল'ব লাগে। বিগত ৬ টা বছৰত আৰু ৰাজীৱ গান্ধী গ্ৰামীন বৈদ্যুতিকৰণ যোজনাৰ অধীনত গ্ৰাম্য বৈদ্যুতিকৰণ ৮,৫০৫ খন বৈদ্যুতিকৰণ নথকা গাওঁ আৰু ১৩,০০৯ খন আংশিক ভাবে বৈদ্যুতিকৰণ কৰা গাঁৱতে কাম হাতত লোৱা হৈছে। চৰকাৰে ১১ লাখতকৈ অধিক বি পি এল পৰিয়ালক সামৰি তাৰে আজিলৈকে ৯ লাখ পৰিয়াললৈ বিদ্যুৎ সংযোগ প্ৰদান কৰা হৈছে। এই কাম বিলাক বাৰিষাৰ আগে আগে কৰিলে ভাল হয়। এপ্ৰিল-মে মাহৰ আগতে কৰাৰ বাবে মই মন্ত্ৰী মহোদয়লৈ পৰামৰ্শ আগবঢ়ালো।

মাননীয় উপাধ্যক্ষ মহোদয়, আমি বিৰোধী পক্ষক আবেদন জনাইছো যাতে তেখেত সকলে গঠনমূলক আলোচনা পৰামৰ্শ আদি আগবঢ়াই চৰকাৰ খন সুকলমে চলাই নিয়াত সহায় কৰে। আমাৰ চৰকাৰে সকলোকে সমান দৃষ্টিৰে চায়। কোনো কোনো ক্ষেত্ৰত দেখা গৈছে, বিৰোধী সদস্য সকলৰ সমষ্টিত কাম বেছি হৈছে। আমাৰ মাননীয় সদস্য, ফণী দাদাৰ সমষ্টিত আমাত কৈ বেছি কাম হৈছে আৰু মাননীয় সদস্য, শ্ৰীকেশৱ মহন্ত ডাঙৰীয়াৰ সমষ্টিতো স্কুল কলেজকে আদি কৰি আমাৰ ৰুলিং পাৰ্টিৰ বিধায়কৰ সমষ্টিত কৈ বেছি কাম হৈছে। অপ্ৰিয় হলেও এইটো কথা সত্য যে ১৯৯৬ চনত এ জি পি চৰকাৰৰ দিনত আমাক বকচিং মাৰি বাহিৰ কৰি দিছিল। এতিয়াওঁ মোৰ মনত আছে সেই সময়ত আমাৰ সদস্য সকলক ডংকোলা কৰি সদনৰ বাহিৰ কৰি দিছিলে। অবশ্যে এইটো কথা ঠিক, সেই সময়ত সকলোৰে তেনে মনোভাব নাছিল। সেইটো সময় অতি দুৰ্ভাগ্য জনক আছিল। আমাৰ মাননীয় সদস্য সকলৰ মাজত এতিয়াওঁ বহুত মৰম স্নেহ আছে। এইবিলাক কথা কোৱাৰ কাৰণে দায় দোষ হ'লে ক্ষমা কৰিব। আমাৰ চৰকাৰে কেন্দ্ৰীয় চৰকাৰৰ

পৰা টকা পইচা আনিব পাৰিছে, সৰ্ব সাধাৰণৰ কাৰণে ভাল ভাল আঁচনি কৰিব পাৰিছে, যি বিলাক আঁচনিৰ দ্বাৰা দূখীয়া জনসাধাৰণৰ উপকাৰ হৈছে। আইন শংখলাৰ ক্ষেত্ৰতো আজি বহুত উন্নত হৈছে। কেতিয়াবা ভুল হৈ যায়। বি টি এ ডি আৰু ৰাভা হাচণ্ডৰ ক্ষেত্ৰত কিছু অসুবিধা হৈছিল। গুৱাহাটী গনেশগুৰিৰ অভাৱ ব্ৰীজৰ তলত যেতিয়া বোমা বিস্ফোৰণ হৈছিল। তেতিয়া বিৰোধী দলৰ এগৰাকী সদস্যই টিভিত নাচি থকা দেখুৱাইছিল। কিন্তু তেওঁ তাকে নকৰি ক্ষতিগ্ৰস্থ মানুহক হস্পিতাললৈ নিব পাৰিলেহেঁতেন। মানুহ মৰাটো কোনোৱে কামনা নকৰে, ৰুলিং পাৰ্টিৰ মানুহে মানুহ মাৰি ভাল নাপায়। সেই কাৰণে এই পবিত্ৰ সদনত গঠনমূলক আলোচনা কৰাটো প্ৰয়োজন। গড় কাপ্তানি বিভাগতো বহুতো ভাল কাম হৈছে। ইষ্ট-ওৱেষ্ট কৰিডৰৰ কাম চলি আছে। নুমলীগড়ৰ পৰা ডিব্ৰুগড়লৈ সম্প্ৰসাৰণৰ কাম চলি আছে, বোকাখাটৰ পৰা গহপুৰলৈ ব্ৰহ্মপুত্ৰত ব্ৰীজৰ, ৰাস্তাৰ কামো আৰম্ভ হব। এই খিনি কৈ মই ৰাজ্যপালৰ ভাষণক সমৰ্থন কৰি মোৰ বক্তব্য সামৰণি মাৰিলো।

The meeting was held under the chairmanship of Sri Dilip Kumar Boruah, IAS Secretary, Agriculture Department, Govt. of Assam, Dispur, Guwahati-06. While welcoming the members the chairman

started the proceeding as per agenda. Initially, the chairman wanted to know about the status and utilization of fund against distribution of chemical fertilizer at 50% subsidy during 2010-11. As directed the fertilizer Officer, Khanapara informed the house that the Govt. has sanctioned an amount of Rs.10.00 crores during 2010-11 against distribution of DAP fertilizer at 50% subsidy amongst bonafide farmers for cultivation of paddy and Rape & Mustard crops. Accordingly, the indent for supply of DAP fertilizer was placed to the Assam Seed Corporation Ltd on 29-04-2011 and the Director of Agriculture, Assam sanctioned an amount of Rs.7.50 crores @ Rs. 1500/- per quintal) as advance to the ASC (L) (Ref Agri/Fert/State Plan/491/2010-11 21-A Dtd 15-06-11) against their requisition for supply of 5128.20 MT of DAP against Paddy crops. However, the ASC Ltd. supplied 5001.80 MT of DAP fertilizer till September/2011 at the different rates due to increase in price of DAP fertilizer by the IFFCO manufacturer from whom they procured the same. They supplied 2701.80MT @ Rs.15000 per MT and 2300.0 MT @ Rs. 18530 per MT; thus the total value of which was Rs. 8,31,46,000.00 as intimated by the ASC, Ltd. (Ref ASC' letter No. T-23 (B)/2011-12/2013 Dtd. 15-10-2011). But till 19th October, 2012, the ASC Ltd. did not furnish the final bill along with the necessary receipted challan to settle the matter despite repeated reminders. Moreover, the ASC Ltd. did not supply DAP fertilizer at 50% subsidy against Rape & Mustard crop resulting an unspent balance of Rs. 1,68,54,000.00 at the Directorate of Agriculture, Assam for the year 2010-11. Thus it is apparent that the very purpose of identifying ASC Ltd. as a nodal agency for distribution of chemical fertilizers particularly DAP & MOP by the Govt. of Assam vide its notification

AGA 82/2009/14 Dated Dispur the 3rd July, 2009 is not working properly. Hence, the concept of supplying chemical fertilizer through inviting FOE from the fertilizer manufacturers emerges.

The meeting decided that since Assam seed Corporation Ltd. was notified by the Govt. vide NO. AGA 82/2009/14 Dated Dispur the 3rd July, 2009, the Director of Agriculture, Assam may move to Government to allow to procure chemical fertilizers from manufacturing company after observing all formalities. The meeting also decided to request Assam seed Corporation Ltd. through Director of Agriculture, Assam to pay 50% subsidy payable to the Directorate.

The Chairman asked the Director of Agriculture, Assam cum Member Secretary of the FOE finalization committee to appraise the house about the outcome of the FOE in respect of Group-A for discussion and to take decision on this matter.

The Director of Agriculture, Assam appraised the house that the department requires chemical fertilizers and Bio-fertilizers for implementation of various schemes under demonstration programmes including 50% subsidy sale to be distributed among selected small & marginal farmers of different districts of Assam. It was informed that the fertilizer will be distributed from the manufacturer's local outlet, out of the selected fertilizer manufacturer(s) or to dispatch at various destinations of the state.

Short Notice of FOE has been published in the local Daily News Papers, "The Assam Tribune", "Amar Asom" etc.

Ltd, Podder Point, Block-A, 1st Floor, 113 Park Street, Kolkata and (10) M/S Bengal fertilizers & Chemicals, Uttar Dinajpur, West Bengal had submitted only their self analysis report of their products in contrary to our FOE wherein it was asked to submit analysis report from the Notified organizations only. Hence their offers are summarily rejected by the committee.

They offered the rate for N:P:K::19:19:19 and N:P:K::20:20:20 Grade of mixture fertilizer only which is not under cosideration. Hence their offers are summarily rejected by the committee.

The rate quoted by the dealer M/S Ashok Kumar Harlalka, Daily Market, Bongaigaon is not taken into consideration as the aim of the FOE was to collect rate from the manufacturers only.

The Director of Agriculture, Assam apprised the house about the policy of the Govt. of India irrespective of fixation of price of chemical fertilizer. As per policy of Gol, the MRP of the urea is fixed by the Govt. of India and in case of P&K fertilizer, the MRP is opened and the manufactures or the importers are allowed to fix MRP at a reasonable level (Gol's letter No. 19011/26/2006-MRP, Dtd. Guidelines for the National Agriculture Development Programme Rashtriya Krishi Vikas Yojana (RKVY)

1. Introduction

- 1.1 Economic reforms initiated since 1991 have put the Indian economy on a higher growth trajectory. Annual growth rate in the total Gross Domestic Product (GDP) has accelerated from below 6 per cent during the initial years of reforms to more than 8 per cent in recent years. The Planning Commission in its approach paper to the Eleventh Five Years-Plan has stated that 9 per cent growth rate in GDP would be feasible during the Eleventh Plan period. However, Agriculture, that accounted for more than 30 per cent of total GDP at the beginning of reforms, failed to maintain its pre-reform growth. On the contrary, it witnessed a sharp deceleration in growth after the mid-1990s. This happened despite the fact that agricultural productivity in most of the states was quite low as it were, and the potential for the growth of agriculture was high.
- 1.2 The GDP of agriculture increased annually at more than 3 per cent during the 1980s. Since the Ninth Five-Year Plan (1996 to 2001-02), India has been targeting a growth rate of more than 4 per cent in agriculture, but the actual achievement has been much below the target. More than 50 per cent of the workforce of the country still depends upon agriculture for its livelihood. Slow growth in Agriculture and allied sectors can lead to acute stress in the economy because the population dependent upon the sector is still very large. A major cause behind the slow growth in agriculture is the consistent decrease in investments in the sector by the state governments. While public and private investments are increasing manyfold in sectors such as

infrastructure, similar investments are not forthcoming in Agriculture and allied sectors; leading to distress in the community of farmers, especially that of the small and marginal segment. Hence the need for incentivising states that increase their investments in the Agriculture and allied sectors has been felt.

- 1.3 Concerned by the slow growth in the Agriculture and allied sectors, the National Development Council (NDC), in its meeting held on 29th May, 2007 resolved that a special Additional Central Assistance Scheme (RKVY) be launched. The NDC resolved that agricultural development strategies must be reoriented to meet the needs of farmers and called upon the Central and State governments to evolve a strategy to rejuvenate agriculture. The NDC reaffirmed its commitment to achieve 4 per cent annual growth in the agricultural sector during the 11th plan. The Resolution with respect to the Additional Central Assistance scheme reads as below :

Introduce a new Additional Central Assistance scheme to incentivise States to draw up plans for their agriculture sector more comprehensively, taking agro-climatic conditions, natural resource issues and technology into account, and integrating livestock, poultry and fisheries more fully. This will involve a new scheme for Additional Central Assistance to State Plans, administered by the Union Ministry of Agriculture over and above its existing Centrally Sponsored schemes, to supplement the State-specific strategies including special schemes for beneficiaries of land reforms. The newly created National Rainfed Area Authority will on request assist States in Planning for rainfed areas.

- 1.4 The Department of Agriculture, in compliance of the above resolution and in consultation with the Planning Commission, has prepared the guidelines for the RKVY scheme, to be known as NADP (RKVY), that are contained in this document.

2. Basic Features of the RKVY

- 2.1 The RKVY aims at achieving 4% annual growth in the agriculture sector during the XI Plan Period by ensuring a holistic development of Agriculture and allied sectors. The main objectives of the scheme are :
- (i) To incentivise the states so as to increase public investment in Agriculture and allied sectors.
 - (ii) To provide flexibility and autonomy to states in the process of planning and executing Agriculture and allied sector schemes.
 - (iii) To ensure the preparation of agriculture plans for the districts and the states based on agro-climatic conditions, availability of technology and natural resources.
 - (iv) To ensure that the local needs/crops/priorities are better reflected in the agricultural plans of the states.
 - (v) To achieve the goal of reducing the yield gaps in important crops, through focussed interventions.
 - (vi) To maximize returns to the farmers in Agriculture and allied sectors.
 - (vii) To bring about quantifiable changes in the production and productivity of various components of Agriculture and allied sectors by addressing them in a holistic manner.

2.2 These guidelines are applicable to all the States and Union Territories that fulfill the eligibility conditions.

2.3 The RKVY will be a State Plan Scheme. The eligibility for assistance under the scheme would depend upon the amount provided in State Plan Budgets for Agriculture and allied sectors, over and above the base line percentage expenditure incurred by the State Governments on Agriculture and allied sectors. The list of allied sectors as indicated by the Planning Commission will be the basis for determining the sectoral expenditure, i.e. Crop Husbandry (including Horticulture), Animal Husbandry and Fisheries, Dairy Development, Agricultural Research and Education, Forestry and Wildlife, Plantation and Agricultural Marketing, Food Storage and Warehousing, Soil and Water Conservation, Agricultural Financial Institutions, other Agricultural Programme and Cooperation. Each state will ensure that the baseline share of Agriculture in its total State Plan expenditure (excluding the assistance under the RKVY) is at least maintained, and upon its doing so, it will be able to access the RKVY funds. The base line would be a moving average and the average of the previous three years will be taken into account for determining the eligibility under the RKVY after excluding the funds already received. The RKVY funds would be provided to the states as 100% grant by the Central Government. The process of determining eligibility under the RKVY is illustrated in Annexure-I. The states are required to prepare the Agriculture Plans for the districts and the state that comprehensively cover resources and indicate definite action plans.

2.4 Since the RKVY is applicable to the entire State Plan for Agriculture and allied sectors, and seeks to encourage convergence with schemes like NREGS, SGSY and BRGF, the Planning Commission and the Ministry of Agriculture will together examine the States' overall Plan proposals for Agriculture and allied sectors as part of the Annual Plan approval exercise. At this stage, in consultation with the Ministry of Panchyati Raj it will also be decided if the requirements with respect to the District Development Plans have been met or not. Advice may also be taken from DAHD & F, Ministry of Water Resources, MORD, DARE, and NRAA, if the convergence has been appropriately factored in.

2.5 Once a state becomes eligible for the RKVY, the quantum of assistance and the process of subsequent allocation to the state will be in accordance with the parameters and the respective weights, as explained in Annexure-II.

2.6 It will be permissible for the states to initiate specific projects with definite time-lines, and clear objectives for Agriculture and allied sectors excluding forestry and wide life, and plantations (i.e., Coffee, tea and Rubber). For this purpose, the RKVY would be available to the states in two distinct streams. At least 75% of the allocated amount shall be proposed under Stream-I for specific projects. The amount under Stream-II, will be available for strengthening the existing state sector schemes and filling the resource gaps. A review of the ratios between stream-I and II will be made after a year's experience in the implementation of the scheme.

2.7 A State Level Sanctioning Committee (SLSC) headed by the Chief Secretary of the state will have the authority to sanction specific projects under the Stream-I. The Governments of India's representative shall participate in the SLSC meetings and the quorum shall not be complete without the presence of at least one official from the Government of India.

2.8 There may arise a situation when a particular state becomes ineligible to avail of the funds under the RKVY in a subsequent year due to its lowered expenditure on Agriculture and allied sectors. If this were to happen, the states shall be required to commit their own resources for completing the sanctioned projects/schemes under the RKVY.

2.9 The pattern of funding is 100% Central grant and the eventual goal is that the additional investments made through the RKVY scheme will lead to at least 4% growth in agriculture. The states are given sufficient flexibility under the scheme to make appropriate local choices so that the outcomes are as envisaged in the RKVY objectives.

3. The Planning Process of RKVY

3.1 Each District will formulate a District Agriculture Plan (DAP) by including the resources available from other existing schemes, District, State, or Central schemes such as BRGF, SGSY, NREGS and Bharat Nirman, etc. The District Agricultural Plans shall not be the usual aggregation of the existing schemes but would aim at moving towards projecting the requirements for development of Agriculture and allied sectors of the district.

These plans will present the vision for Agriculture and allied sectors within the overall development perspective of the district. The District Agriculture Plans would present the financial requirement and the sources of financing the agriculture development plans in a comprehensive way. Since RKVY is conditional to proper District Planning and since Planning Commission has already circulated guidelines for District Planning in line with Constitutional requirements, these requirements should be adhered to by the state as far as possible. The states will have to specify the institutional mechanisms evolved by them for District Planning as resolved in the NDC and submit a status report at the stage of the Annual Plan exercise. The SLSC will monitor and ensure this. The DAP will include animal husbandary and fishery, minor irrigation projects, rural development works, agricultural marketing schemes and schemes for water harvesting and conservation, etc. keeping in view the natural resources and technological possibilities in each district.

3.2 Each state will prepare a comprehensive State Agricultural Plan (SAP) by integrating the District Plans. The state will have to, at the outset indicate resources that can flow from the state to the district. The DAP will integrate multiple programmes that are in operation in the district concerned, include the resources and activities indicated by the state, combine the resources available from the other programmes and finalize the plan. The elements that will be taken into account should cover at the very least,

(a) Sectoral and District segments of the State Plan.

Employment Guarantee Scheme), BRGF (Backward Region Grant Fund), SGSY (Swarn Jayanti Gram Swarojgar Yojana) and Bharat Nirman etc. and

- (c) -- Tied and untied grants from the Central and State Finance Commissions.

The preparation of the State Agricultural Plan could be a two-way process. In one method, the state nodal department (Agriculture Department) could obtain the draft DAPs from the districts in the first instance and examine if aspects of importance to the state are properly covered in the district plans or not. For example, at the state level, the vision could be to set up fertiliser quality testing labs in certain districts. The state should, at this stage of scrutiny, ensure that establishment of the fertilizer testing labs is incorporated in the District Agricultural Plans of the districts concerned. Ensuring that the state's priorities with respect to Agriculture and allied sectors are appropriately captured in the District Agricultural Plans would be the responsibility of the nodal department/State agency vested with the responsibility of preparing the SAPs. In the other method, the state Nodal Agency could communicate to the districts in the first instance, the state's priorities that ought to reflect in the respective district plans and the districts may incorporate these in their district plans. The preparation of the District Agriculture Plan is an elaborate, exhaustive and iterative process so every care should be taken by the state nodal department and the district agriculture department officials in ensuring that the DAPs are properly and comprehensively made.

A Pictorial representation of the DAP is in the box.

Figure 1

1. Shaded portions indicate overlap/convergence of activities
2. This is only an indicative diagram and by no means is exhaustive, i.e, other sectoral plan could also converge.

3.3 Several states/UTs may already have prepared comprehensive district and state agriculture plans. They may ascertain if they could be updated and used for the purposes of the RKVY. However, in states with no such preparation, an exercise should immediately commence, so as to complete it within a three month period. The district level potential linked credit plans (PLP) already prepared by the NABARD may be useful in this regard.

The state governments are advised to make best use of the PLPs and SREPs (Strategic Research and Extension Plans) developed under the ATMA programme. The guidelines for preparing the District Development Plans have been communicated to the state governments by the Planning Commission. For the Purpose of the RKVY, the District Development Plans so prepared, in accordance with the planning Commission's Guidelines should be broadly sufficient. It should however be ensured that the convergence with other programmes as well as the role assigned to the PRIs are satisfactory. For the year 2007-08 a clear indication should be given by the states that they are encouraging the preparation of the district agriculture plans that are integral to the District Development Plan. The intent of the states will be known by the number of districts already covered, and the availability of a road map for covering the remaining districts. Eventually, i.e. from 2008-09 onwards, no assistance under the RKVY shall be available unless all the districts are ready with the District Plans.

Wherever the states feel the need to engage consultants to prepare the DAP and/or SAP, they may do so.

- 3.4 The finalized state Agriculture Plan will be placed before the Department of Agriculture (DAC) and the Planning Commission, as a part of the State Plan exercise, for Additional Central Assistance by the State Planning Department. The DAC and Planning Commission will approve the SAP with such suggestions as may be necessary. The states will provide complete rationale and justification for the assistance sought, well before the state plan discussions to give sufficient time to

the DAC and the Planning Commission to firm up their views on the proposals and make such consultations as may be necessary with concerned departments.

- 3.5 The Districts will be required to prepare a self of projects, for posing to the SLSC under Stream-I. At least 75% of the total funds under the RKVY that a state gets entitled to, will be available under the Stream I. The Nodal Department/Agency will undertake/compile such projects from each of the districts, prioritize them and place them before the SLSC. The SLSC is vested with the authority to sanction the projects under stream-I in a meeting that will be attended by representatives of the Government of India. The Nodal Agency will give at least 15 clear days of notice to the representative of the Government of India while sending the meeting notice, along with a gist of the agenda. The projects posed to the SLSC under Stream-I shall be consistent with the District and State Agriculture Plans. The balance of the total RKVY funds will be available for strengthening of the existing schemes and for filling resource gaps under the State Plans. This would be united assistance to the states.
- 3.6 A state is permitted to use upto 1% of its total RKVY funds for incurring administrative expenditure, that includes payments to consultants, recurring expenses of various kinds, staff costs, etc. However, no permanent employment can be created, nor can vehicles be purchased.
- 3.7 The DAC may retain a proportion of 1% of the RKVY funds at its level, so as to organize pan-India evaluations or for such administrative contingencies that may arise at various times.

4. Areas of focus under the RKVY

4.1 The components/activities which would be eligible for project based assistance under the Stream-I of the RKVY are elaborated below. This is an indicative list, the states may choose other components/activities, but ensure that they are reflected adequately in the SAP and the DAP. The scheme(s) administered by the Departments of Agriculture and Cooperation and Animal Husbandry, Dairying and Fisheries covering the following components already have elaborate guidelines, which ought to be followed by the implementing Agencies. Assistance for new component(s), if any, could be worked out in consultation with the State Level Sanctioning Committee. The components for the RKVY could cover the following :

- (a) Integrated development of major food crops such as wheat, paddy, coarse cereals, minor millets, pulses, oilseeds : Assistance can be provided for making available certified/HYV seeds to farmers; production of breeder seed; purchase of breeder seed from institutions such as ICAR, public sector seed corporations, production of foundation seed; production of certified seed; seed treatment; Farmers Field Schools at demonstration sites; training of farmers etc. Similar support would be provided for development of other crops such as sugarcane, cotton or any other crop/variety that may be of importance to the state.
- (b) Agriculture mechanization : Assistance would be provided for farm mechanization efforts especially for improved and

gender friendly tools, implements and machinery. Specific agricultural mechanization projects oriented toward enhancing farm productivity can be considered under this scheme. However, tractors are not covered under the scheme.

- (c) Activities related to enhancement of soil health : This would include efficient quality control of inputs including strengthening of laboratories and enhancing soil health. Assistance can be provided to the farmers for distributing soil health cards; micro nutrient demonstration; training of farmers for promotion of organic farming including printing of publicity/utility literature; assistance to the state government to strengthen existing soil testing and fertilizer testing laboratories and setting up new ones; amelioration of soils affected with conditions such as alkalinity and acidity.
- (d) Development of rainfed farming systems in and outside watershed areas, as also Integrated development of watershed areas, wastelands, river valleys: Assistance for development of land as also assistance for horticulture, generating livelihoods for farmers Below the Poverty Line (BPL)
- (e) Support to state seed farms : State farms that are used for both research and seed production purposes may be provided funds in a project mode covering aspects such as land development, creation of irrigation facilities,

upgrading technology, etc. However, new land acquisition is not permitted.

- (f) Integrated Pest Management schemes : This would include training of farmers through Farm Field Schools etc. on pest management practices; printing of literature/other awareness programmes.
- (g) Encouraging non-farm activities : Assistance to agri-entrepreneurs/agri-graduates to set up agri-clinics/agri-business centres.
- (h) Strengthening of Market Infrastructure and marketing development : Assistance for setting up of cold storages, cold chains, godowns, formation of farmer's SHGs, setting up collection centre etc. Assistance to PRIs/SHGs in promoting collection and sale to mandis/government agencies.
- (i) strengthening of Infrastructure to promote Extension Services : This would include new initiatives for skill development and training in the farming community and to revamp the existing State agricultural extension systems.
- (j) Activities relating to enhancement of horticultural production and popularization of micro irrigation systems; Assistance will be available for nursery development, horticulture activities including marketing and drip/sprinkler irrigation.

- (k) **Animal husbandry and fisheries development activities :** Assistance will be available for improvement in fodder production, genetic upgradation of cattle and buffaloes, enhancement of milk production, enlarging raw material base for leather industry, improvement in livestock health, poultry development, development of small ruminants and enhanced fish production.
- (l) **Special schemes for beneficiaries of land reforms :** Assistance will be available for improving the net minimum income of this category of beneficiaries. Beneficiaries of land reforms are usually small and marginal farmers. Making their agriculture viable will be possible only when capital investments, on land development, irrigation, high-technology infrastructure in emerging areas such as floriculture, horticulture, seed production, etc. are made. Specific projects for groups of such beneficiaries can be taken up with provision for common infrastructure.
- (m) **Undertaking concept to completion projects :** Undertaking specific projects under agriculture/horticulture/allied sectors in a concept to completion mode with attention given to all the components such as crop production, technology induction, farmer training, forward and backward linkages, either entirely in the state sector or in partnership with the private sector, where necessary and possible, is permitted under the scheme. Beneficiaries under such

projects should, however, predominately be BPL farmers. Projects in risk-prone, underdeveloped, agriculturally distressed, remote, hilly and tribal areas are specially encouraged.

- (n) Grant support to the State Government institutions that promote agriculture/horticulture : Wherever state level institutions that work for promoting agriculture/horticulture/allied sectors require a one-time grant support for their functioning/strengthening, such support can be provided.
- (o) Study tours of farmers : Study tours of farmers to places of interest to them, especially to research institutions etc.
- (p) Organic and bio-fertilizers : Support for decentralized production at the village level and their marketing, etc. This will include vermicomposting and introduction of superior technologies for better production.
- (q) Innovative schemes : The above list is not exhaustive. Therefore, schemes that are important for agriculture, horticulture and allied sector development, but cannot be categorized under (a) to (p) can also be proposed, as innovative schemes.

5. Operationalisation of the RKVY

- 5.1 The State Agriculture Department shall be the nodal department for the implementaion of the scheme. For administrative convenience and ease of implementation, the state governments

may identify, or create an exclusive agency for implementing the scheme on the fast-track. Even where such an Agency is created/designated, the entire responsibility of ensuring that the RKVY is properly implemented, will be that of the Agriculture Department only. In a situation where the states notify a Nodal agency, the release of funds may be done by the Centre directly to the Agency. The costs of running the agency, however, have to be within the 1% limit and subject to conditionalities indicated in para 3.6. States may supplement any administrative expenditure in excess of the 1% limit, with their own resources.

5.2 The nodal agency/Agriculture department will be responsible for the following:-

- (i) Preparing State Agriculture Plans (SAP) and ensuring the preparation of the District Agriculture Plans (DAP).
- (ii) Effectively coordinating with various Department and implementing Agencies, with respect to the preparation and appraisal of projects, implementing, monitoring, and evaluating them.
- (iii) Management of funds received from the Central and State Governments and disbursement of the funds to the implementing agencies.
- (iv) Furnishing of utilization certificates and quarterly physical & financial progress reports to the Department of Agriculture and Cooperation. The indicative proforma for

submission of financial and physical progress and the utilization certificate, are at Annexure-III.

- (v) Establishing an effective Management Information system that is I.T. based as well as web enabled, within a definite time-line, in any event within the first year of implementation of the programme itself.

- 5.3 The Nodal Agency will finalize the SAP and submit it to the State Planning Department for integrating with the overall State Plans. The State Planning Department will pose it to Planning Commission as a part of its state plan exercise. Once the approvals are received, the Nodal Agency will place the stream-I proposals before the SLSC for consideration, discussion, finalization, and sanction.
- 5.4 The state Level Nodal Agency will forward the Agenda along with a gist of the projects to the Department of Agriculture and Cooperation (DAC) so as to reach at least 15 days before the meeting of state Level Sanctioning Committee to enable their representatives to come prepared and to participate meaningfully in the SLSC meeting. The SLSC is vested with the authority to sanction the projects.
- 5.5 Once the SLSC sanctions the projects, DAC will release funds either to the Nodal Department or to the Nodal Agency, as the case may be.

6. State Level Sanctioning Committee (SLSC)

6.1 Under the Scheme, a State Level Sanctioning Committee (SLSC) will be constituted. The composition of the SLSC may be as follows:

6.3 SLSC will, inter alia, responsible for

1. Sanctioning the projects under Stream-I of the RKVY
2. Monitoring the progress of the sanctioned projects/schemes.
3. Reviewing the implementation of the schemes objectives and ensure that the programme are implemented in accordance with the guidelines laid down.
4. Ensuring that duplication of efforts or resources takes place.
5. Commissioning/undertaking filed studies to monitor the implementation of the projects.

6. Initiating evaluation studies from time to time, as may be required.
 7. Undertaking any other project of importance to the state's Agriculture and allied sectors.
 8. Ensuring that there are no inter-district disparities with respect to the financial patterns/subsidy assistance in the projects.
- 6.4 SLSC shall meet as often as required but shall meet at least once in a quarter.
- 6.5 The State Governments will notify the SLSC within a month after the publication of the Guidelines and inform the Department of Agriculture and Cooperation.
- 6.6 The SLSC may co-opt two more members from Agricultural Research Organisations, reputed NGOs working in the field of Agriculture, Deputy Commissioners of important districts, and leading farmers.
- 6.7 The Panchayatiraj Institutions should be involved where feasible, in the implementation of the Scheme.
- 7. Release of Funds**
- 7.1 For Stream-I**
- 7.1.1 Stream-I is project-based. The areas of focus that have been enlisted elsewhere in the Guidelines under para 4 are the broad areas within which these projects should be posed and sanctioned by the SLSC. The project approach will mean that all the essential

ingredients of a good project are properly considered and included, ie., feasibility studies, competencies of the implementing agencies, anticipated benefits that will flow to the farmers, definite time-lines for implementation, etc. The Nodal Agency will satisfy itself that the Project fulfills the objectives of the RKVY before recommending the Detailed Project Reports (DPRs) to the SLSC.

7.1.2 The Nodal Agency is authorized to hire Consultants to prepare the DPRs under Stream-I and the Agency can spend up to 5% of the funds in the stream for the preparation of specific projects. If any DPRs are already available with the state Nodal Agency that fulfill the objectives of the RKVY, but have not been implemented for want of funds they may also be included in the DAP and the SAP and thereafter, posed to the SLSC under Stream-I. If the SLSC does not approve the DPRs posed, funds cannot be accessed. No mobilization advances can be paid to any Consultant or any Agency under this provision, nor can any upfront payments be made. This condition is being imposed to ward off any inferior DPRs. preparation of which is often an end in itself, as sometimes noticed.

7.1.3 In a situation where a DPR is prepared, has found acceptance and been paid for, the balance amount of 95% of the funds will be distributed as below:

- 45% of the funds will be released as first installment to the state, upon the receipt of the Sanction Letter issued by the SLSC. In a situation where the DPR is prepared by

the Nodal Agency or Implementing Agency itself, then the flow of funds will be as below :

- 50% of the funds will be released as first installment to the state, upon the receipt of the Sanction Letter issued by the SLSC.
- 40% of the balance funds will be released when a physical progress of at least 50% of the milestones is informed to the DAC, as envisaged in the DPRs and
- The balance 10% of the funds will be released when the project is completed and field verification is done by a designated agency of the Government of India. The designated Agencies will be chosen by the DAC at an appropriate time.

7.1.4 The DAC may retain a small portion of the RKVY funds to organize pan-Indian or state-specific evaluation studies of the projects implemented or for any administrative contingencies as may arise.

7.1.5 The Nodal Agency shall ensure that Project-wise accounts are maintained by the Implementing Agencies and are subjected to the normal process of Statutory Audit. Like wise, an inventory of the assets created under the Projects should be carefully preserved and assets that are no longer required, should be transferred to the Nodal Department, for its use and redeployment where possible.

7.1.6. At least 75% of the total allocation under the RKVY is earmarked

for Stream-I with an intent that maximum flexibility is given to the states to plan for their agriculture development in accordance with their own unique needs and local aspirations.

7.1.7 Funds can be released directly by the Centre to the Nodal Agency as notified by the State Nodal Department.

7.2 For Stream-II

7.2.1 Stream-II processes are relatively more conventional. Once the State Planning Department poses the proposals to the Planning Commission as a part of its State Plan exercise and obtains the approval of the Planning Commission, then the fund flow follows the same course as followed usually. A maximum of 25% of the funds allocated to a state are available under the Stream-II.

7.2.2 Assistance under the stream-II will be released to the states in two equal installments 50% of the Central allocation will be released as first installment to the states at the commencement of the Kharif season, in April. The release of the second and final installment would be considered on the fulfillment of the following conditions :

- Utilization certificates for the funds released upto the previous financial year.
- Expenditure of at least 60% of available funds, ie., unspent balance of the previous year plus the releases in the first installment.
- Submission of performance report in terms of Physical and financial achievements as well as outcomes, on a regular basis, within the stipulated time frame.

- 7.2.3 The permissible carry over of unspent balance would be 10% of the Central allocation Any excess over permissible limit of 10% carry over will be adjusted in the second installment. The central assistance to the designated Nodal Agency/Agriculture department will be released as per the approved mechanism of the Ministry of Finance.
- 7.2.4 The Nodal Agency/Department should ensure that the Central Assistance released under the scheme is utilized in accordance with the approved State and District Plans. Since the amounts of the second and final installment of the allocation will depend upon the progress of utilization of funds by the states, the state should ensure that the funds released are utilized promptly, properly and progress reports are sent to the DAC at the earliest. Non-utilization of central assistance will hinder further released of funds.
- 7.2.5 The performance of the states will be reflected in the Performance Budget document of this Ministry.
- 7.2.6 The Department of Agriculture and Cooperation may effect changes in the scheme guidelines, other than affecting the financing pattern as the scheme evolves, whenever such changes are considered necessary.
- 7.3 Depending upon the state's needs, a state may choose to use its entire allocated RKVY funds under the stream-I. only. In that event 100% of the RKVY funds can be utilized for the Stream-I. However, the reverse is not permissible, that is, a state cannot choose to lower its stream-I allocation below 75%

8. Zinc Sulphate Monohydrate (5kg & 10-Kg).

Altogether 60 nos. of tenders were short listed for 5kg packet and 10kg packet of zinc sulphate Monohydrate. The rate quoted by various tenders varies from Rs. 225/- to Rs.2375/- in case of 5kg packets and Rs.400/- to Rs.4700/- in case of 10kg packets. Therefore the variation between highest to lowest is 956% and 1075% in case of 5kg and 10kg packets respectively.

9. Lime :

The rate quoted for the lime varies from Rs.2645/- to Rs. 9750/- per MT with a variation of 268%.

10. EM Materials :

The rates quoted for EM materials varies from Rs.75/- to Rs.321.21 with a variation of 328%.

In view of the huge variation in the rates quoted by different tenderers it appears that the lowest quotations are irrational. During the meeting of the purchase committee on 12/09/2011 a committee was constituted with 4 nos. of departmental officers to collect the

market prices of a few items under Group-C. The Group of 4 officers submitted the prices of different items of Group-C and it was observed that the lowest of most of items are far below the available market rates.

In view of the consultation with the technical expert from within the department as special invitees in the meeting at the instance of committee and a scientist from AAU (Dr. Sarat Saikia, Chief Scientist), it was observed that the rates quoted by the lowest bidders are unreasonably low.

In such a situation there is every possibility that the materials supplied at the lowest rates will be sub standard or in short quantities by indulging in unethical practices.

Last year 2009-10, when the Tender was floated for the same items the rates quoted was Rs. 80.00 per kg in case of $\text{ZnSO}_4 \cdot \text{H}_2\text{O}$. Similarly in case of other items also the quoted rate was found reasonable

Keeping in view of all these aspects it is decided by the committee that tenders offered for supply of different items under Group C are hereby rejected.

D. Group D. For the item D (other materials), the total participating quotationers were 6(six) and all the 6 (six) nos. are found responsive. The details of the items under D along with rates at Annexure-VI. In this regards the Committee recommended to accept L1 rates with proper specification and after negotiation with the concern bidders regarding rates of the companies/manufactures.

GOVERNMENT OF ASSAM
EDUCATION (ELEMENTARY) DEPARTMENT
ASSAM SECRETARIAT, DISPUR

No : AEE:419/2009/Pt.XI/55 Dated Dispur the 25th August, 2011

Office Memorandum

Sub : Rationalization of the posts of Lower Primary and Upper Primary school Teachers.

Subesquent to the adoption of The Right of Children to Free and Compulsory Education Act, 2009, Government of Assam framed the Rules there under on 11th of July, 2011.

And whereas, under the provision of the said Act as well as Rules framed there under, now it is mandatory on the part of the State Government to maintain PTR (Pupil-Teacher-Ratio) of each school at 1:30 for lower primary level and 1:35 for upper primary level. The Act further makes it compulsory that every lower primary school shall have minimum 2 teachers.

Whereas, it appears that as of now, in Assam, there are more than 7500 number of single teacher schools which goes against the provisions of the Act. There are also schools exist in the districts where PTR is not maintained at the prescribed norms of 1:36 (for LP schools) and 1:35 (for upper Primary schools).

Further, due to retirement of teachers and subsequent non-

recruitment of teachers for last several years, has led to the further deterioration of situation (of non availability of teachers and poor quality education in the schools) In order to achieve the above, rationalization process of teachers and also to empower the District Level Committee, the Finance Department has agreed to delegate the Power of transfer of teachers (with posts) from one school to another to the Deputy Commissioner/Principal Secretary of the Autonomous Councils of Sixth Scheduled Areas up-to 31-03-2012 vide Finance Department's (EC-III) U/O No.244, Dated 27-07-2011.

After careful consideration of the situation and in order to implement the provisions of The Right of Children to Free and Compulsory Education Act, 2009 in the State and for providing adequate number of teachers for ensuring quality education in the schools, the Government of Assam is pleased to issue the following instructions:

1. There will be a District Level Committee which will be primarily responsible for maintaining PTR and converting single teacher schools to minimum double teachers schools in the District. The District Level Committee will be as follows:

Deputy Commissioner/Principal Secretary of Autonomous Councils of Sixth Scheduled Areas	- Chairman
Treasury Officer/Officers	- Member
Deputy Inspectors of Schools	- Member
District Elementary Education officer	- Member Secretary

2. It will be incumbent upon the District Level Committee to convert all single teacher schools with deployment of another teachers from a school within the district on 1st priority basis within a period of not more than 30 days from the date of issue of this office memorandum.

Further, it will also be the responsibility of the District Level Committees to scrutinize the present PTR norms of the schools and to initiate necessary steps to transfer/rationalize and transfer the teachers (with posts) to high PTR schools (as per PTR norms) within a period of not more than 90 days from the date of issue of this office memorandum. The Committee will ensure that each and every school of the district will maintain the prescribed norms of PTR both in LP and upper Primary schools as mentioned in the Right of Children to Free and Compulsory Education Act, 2009.

3. In order to achieve the above mentioned objectives, the District level Committee will be at liberty to transfer/rationalize the teachers (with post) within the Education Block and in entire district. To minimize dislocation, first attempt will be made to transfer/rationalize the teachers (with posts) situated within the Block area. If it is not possible due to non-availability of sufficient numbers of teachers in the Block area, then the District Level Committee will have the power to transfer/rationalize the teachers (with posts) from anywhere within the districts to achieve the total rationalization as per PTR norms as prescribed in the above mentioned Act.

4. PTR norms and teachers requirements as per RTE Act, 2009 shall be followed:

For class I to V	PTR norms @ 1:30 but minimum 2 teachers per school is mandatory. Up-to 60 students– 2 teachers and one additional teacher for class V
For class VI to VIII	PTR norms @ 1:35 At least one teacher per class

5. During the period of rationalization process and shifting of posts, there should not be any simultaneous transfer/shifting/attachment of posts (of any nature) by any authority of the Education Department. Only District Level Committee is authorized to transfer/rationalize the teachers (with posts) until further order.

6. **Strategy for Rationalization :**

- a) First attempt shall be made to transfer/rationalize teachers situated within the same Block area.
- b) If it is not possible due to non-availability of teachers in the same Block, then the District Level Committee is authorized to transfer/rationalize teachers (with posts) from anywhere within the district.
- c) The post held the by junior-most teacher shall be shifted first
- d) Teachers who have only 03 (three) years of time for retirement should not be considered for rationalization of posts except in compelling situations.

- e) District Level Committee shall review the PTR of schools in the district in every 3 (three) months due to the occurrences of vacancy on retirement of teachers and will carry out the exercise of rationalization on every 3 (three) months basis.
- f) District Level Committee may refer only those cases/issues which do not come under the administrative jurisdiction of the District Level Committee to the State Level Committee for further necessary action.

After the completion of conversion of single teacher schools to minimum double teacher schools, the District Level Committee will submit a detailed Action Taken Report (covering school-wise teacher rationalization, name of the teachers, numbers of teachers, post sanctioning number, name of block etc.) to the Director, Elementary Education and to the Commissioner & Secretary to the Govt. of Assam, Education (Elementary) Department, Dispur within 44 days of issue of this Office Memorandum and will submit another report after the completion of total rationalization process as per PTR norms within 100 days from the date of issue of this Office Memorandum only for information.
